TOURIST TAX INFORMATION FOR GUEST

The Municipality of Prato, with the City Council's decision n. 29 of the 11 June 2015, has established the Tourist tax accommodation, in effect from 1st July 2015.

What is the tourist tax?

The tourist tax – disciplined by the art. 4 of the Legislative Decree n.23 of the 14 March 2011 – is a tax that has to be paid by all the guests of any accommodation facility of the city.

Who pays the tourist tax?

All guests staying overnight in any accommodation facility (up to a maximum of 10 consecutive nights for rented rooms in private houses and up to a maximum of 3 consecutive nights for all other types of accommodation) and who are not residents of the city of Prato.

RATES:

ACCOMODATIONS CLASSIFIED BY STARS/SPIKES/KEYS

From 1 to 3 stars/spikes/keys	euro 1,50	For night/person
4 and 5 stars/spike/keys	euro 2,00	For night/person
All other types of accommodation	euro 0,50	For night/person

Exemptions:

The exemptions provided by the art. n. 3 of the Regulation for tourist tax's application are the following:

1. Children, under 6 years of age
2. Tourist bus drivers and tour guides (exemption is foreseen for bus drivers and tourist guides, one of each for every 15 guests)
3. People who visit the city for therapies and/or medical examinations at public/private health facilities
4. Accompanying people of patients admitted to health care facilities
5. Parents of sick children under eighteen years old that need therapies and/or medical examinations at public/private health facilities
6. The employees of the accommodation facility
7. Members of the national and local Police and other armed forces (fire fighters included)
8. Stay due to measures adopted by public authorities
